Good Afternoon Representative Huggins,

I have attached a copy of the Notice of **Virtual** Public Night Hearings (currently scheduled for **November 9th, 10th, and 12th**) and a copy of the Commission's Directive which states that the Commission will consider requests for in-person public night hearings after October 30th along with the status of the pandemic. The public has already started to pre-register to speak at the virtual public night hearings.

Finally, I have attached a copy of the first Notice of Hearing (the one where the Company presents its case), and this case is scheduled to begin on January 5, 2021.

Please let me know if you have any other questions.

Thank you.

Chip,
What can you do for our district to oppose this far reaching request by Dominion? This request covers more than just rates and will harm most constituents in our district.
thx
